

VOLUNTEER WITH DFSTC

Join Dress for Success Twin Cities (DFSTC) in our mission to empower women and gender expansive individuals through employment. We're currently seeking passionate volunteers to join our team and make a difference in the lives of women in need. With various opportunities available, you can help us provide support, resources, and guidance to help women thrive in their careers. Join us today and be a part of the positive change in our community.

OVERVIEW

Our volunteers are the front-line for empowering our clients with their career development. We provide healing-centered and cultural competence training to ensure every woman we serve feels valued and is treated with care and respect.

When you apply to volunteer, you are signing up to attend a volunteer orientation session where you'll meet other new and current volunteers and staff members who will answer your questions.
